WATCH THE MED ALARM PHONE
+ 334 86 51 71 61

*This is not a direct rescue number
but an organisation that will help
you get rescued.*

Before calling the emergency number, you will have to call the numbers mentioned below. You may speak in English or French. **Make sure that you have Internet connection, that you have installed the Whatsapp app, and that you activated the GPS.**

You phone must be off until you reach the international zone, because the Marine Royale (royal navy) may locate you through your cell. HOWEVER, IF THE SITUATION IN THE SEA IS DANGEROUS, DO NOT HESITATE TO USE THE PHONE TO CALL THE EMERGENCY NUMBER!
